- ◆ This papercraft can make an ornament of the jack-o'-lantern or a mask from common parts. In addition, the face of the jack-o'-lantern prepares for three kinds.
- ◆ The assembly instructions are divided into four sections: A(jack-o'-lantern, options 1 to 3), B (jack-o'-lantern, as an ornament and a mask), C (jack-o'-lantern, as an ornament), and D (witch hat and bat wings). Refer to the appropriate section of the instructions as you assemble your papercraft.
- ◆ The assembly instructions focus on making a jack-o'-lantern as an ornament. If you are making a mask, assembly instructions are given as a variation on the ornament. You will not need the instructions in part C for the mask.
- ◆ ★ marks a basic assembly technique that remains the same regardless of the part. Instructions are printed only for the first instance.
